JOIN US FOR SPRING FUN AND LEARNING!

Spring break camps look a little different this year! Take home a bin filled to the brim with camp activities! Join museum educator Emily Vander Haak each day on Zoom to explore a different theme, and follow included instructions with assistance from a grown up. Add enough supplies for up to four children per bin. Space is limited to 15 families per session, so register early!

Bin pick up will be Friday, April 2 & Saturday April 3 from 11:30 am to 3 pm, and bin drop off will be the following week during business hours.

Camp fees must be paid in advance to guarantee a space in the camp. **Members save 10%**

CAMP CANCELLATION & REFUND POLICY

- Camp fees must be paid when registering.
- Cancellations seven or more days prior to camp start date are 100% refundable.
- Cancellations less than seven days prior to start date are not refundable.
- In the event of a camp cancellation by the Children's Museum, fees are 100% refundable. We make every effort to run every camp! The only time we cancel a camp is if no one is signed up several days in advance.

If your child requires special assistance in camp please feel free to contact emily@skagitcm.org to make additional arrangements.

Scholarships are available!
Please contact CMSC for more information.
Register by phone, or online at

Little STEAM

Monday - Friday

Zoom Class 9 – 10 am

AGES 3 - 5

This camp introduces young students to STEAM projects with a focus on art and literacy. Each day we will meet virtually to read together and do fun experiments and projects. The camp bin includes everything each child needs to join in on group experiments, as well as projects to work on at home with assistance from a grown up! Add additional children for \$50 each.

\$125

All About Animals

Monday

Learn about mythical creatures and the things that inspire them. We'll play games, read stories, and make art in this fun fantasy camp!

Sensory Exploration

Tuesday

Let's get hands-on with fun a sensory experience! Watch water-beads grow, make your own sensory bottle, and more!

Let's Build!

Wednesday

Build and learn in this camp where we'll try to make a tall structure, build with marshmallows, and other fine motor skills activities.

Gardens Galore!

Thursday

Grow your own seedling and learn how farmers grow our food in this fun camp all about growing.

DIY Art

Friday

In this art camp, little hands will make their own art supplies and create beautiful works of art with them!

Big STEAM

Monday - Friday

Zoom Class 11am – 12 pm

AGES 6 - 10

Get hands-on with this camp filled with STEAM projects and experiments. We'll read together and do fun experiments and science demonstrations together virtually, and students will have plenty of fun, sensory projects to work on at home. Add additional children for \$50 each.

\$125

Young Naturalists

Monday

In this exciting nature class, we'll meet the museum's animals, learn how to explore the natural world around us, and dissect owl pellets together over Zoom.

Mad Science

Tuesday

Hands-on messy science fun for all! Make slime, lava lamps, and use other common ingredients to create exciting reactions and experiments.

Inventors & Builders

Wednesday

Put your inventor caps on! Learn about awesome inventor Leonardo da Vinci and his futuristic inventions, and then use a variety of materials, your vast imaginations, and a little help from a museum educator to create your own wacky (and useful) inventions.

The Science of Food

Thursday

Learn how veggies grow, explore chemistry with basic kitchen ingredients, and more fun food experiments!

DIY Art

Friday

Make and create with your own homemade play dough, sidewalk chalk, invisible ink, and other fun art supplies!
