JOIN US FOR SUMMER FUN AND LEARNING!

Join us for STEAM-themed camps on Tuesdays in August! Space is limited in each session, so register now! Each week we will focus on one aspect of **STEAM**- Science, Technology, Engineering, Art, and Math. We will play games, do art projects and experiments, and have plenty of time to play in the museum!

Camps for younger children will be run on Wednesday August 4 & 11 for ages 3 to 5.

A snack will be provided, and we will eat outdoors to ensure proper social distancing. Water and snacks will be individually packaged for safety.

Camp fees must be paid in advance to guarantee a space in the camp. **Members save 10%!**

CAMP INFORMATION:

Authorization of Consent to Treatment of a Minor must be completed for each child registered at time of check in.

All children registered in camps must wear a fabric or disposable mask at all times while in the museum.

All children registered for camps must be able to toilet independently.

If your child requires special assistance in camp please feel free to contact emily@skagitcm.org to make arrangements.

Scholarships are available! Please contact CMSC for more information.

Register in person at the museum or online at skagitchildrensmuseum.net

CAMP CANCELLATION & REFUND POLICY

- Camp fees must be paid when registering.
 - Cancellations seven or more days prior to camp start date are 100% refundable.
 - Cancellations less than seven days prior to start date are not refundable.
 - In the event of a camp cancellation by the Children's Museum, fees are 100% refundable. We make every effort to run every camp! The only time we cancel a camp is if no one is signed up several days in advance.
-

Tuesday August 3rd

MAD SCIENTISTS 9:00am-12:00pm
AGES 4 & up
Put on your safety glasses and conduct experiments that fizz, pop, and ooze! Dress for mess and come explore your inner mad scientist.
Instructor: Emily Vander Haak \$35

Tuesday August 10th

HANDS ON TECH 9:00am-12:00pm
AGES 4 & up
Light up your own circuit board and make a paperclip dancer on top of a battery in this technology-themed camp.
Instructor: Emily Vander Haak
\$35

Tuesday August 17th

LITTLE ENGINEERS 9:00am-12:00pm
AGES 4 & up
Put your inventor caps on! Learn about awesome inventor Leonardo da Vinci and his futuristic inventions, and then use a variety of materials, your vast imaginations, and a little help from a museum educator to create your own wacky (and useful) inventions.
Instructor: Emily Vander Haak
\$35

Tuesday August 24th

MESSY ART 9:00am-12:00pm
AGES 4 & up
It's time to roll up your sleeves and let your imaginations take off in this class! We'll be using paint, messy materials, and more! Children will experience a wide variety of artistic creativity using messy materials! Please dress for mess!
Instructor: Emily Vander Haak
\$35

Tuesday August 31st

MATH IS EVERYWHERE 9:00am-12:00pm
AGES 4 & up
From patterns in nature to measuring ingredients, math is everywhere! In this camp, we'll make math fun. We'll play fun games and create beautiful art, all while learning about math!
Instructor: Emily Vander Haak \$35

Camps for Ages 3 -5

Wednesday August 4th

Water Beads & Sensory Exploration 10:00am-12:00pm
AGES 3 -5
Have fun with water beads! Kids will learn the science of how they expand, create a project with water beads, and have some sensory play in many sensory stations! Children will get to take some water beads home to play with as well!
Instructor: Elizabeth Chandler \$25

Wednesday August 11th

All Bugged Out! 10:00pm-12:00pm
AGES 3 -5
Join us as we explore the world of bugs and nature, make bug crafts and play bug games! Students will also go on a bug hunt outside and make their own paintbrushes out of natural materials.
Instructor: Elizabeth Chandler \$25
